Survey

We kindly invite you to participate in [a brief 3-question survey](#) regarding the importance of EMG-based reports.

- What types of EMG-based reports would you be most interested in generating?
- As it relates to displaying EMG activity, which parameters are the most important?
- What is your preference for data collection and report protocols to be based on?

Delsys Prize

Conducting innovative research in EMG? Enter a chance to win a complete Trigno™ Wireless System and more at [De Luca Foundation](#) »

Deadline: September 30, 2017

ICYMI

New facility in Manchester, UK is a response to answer the growing demand for Delsys products and services in Europe.

Delsys Europe

Upcoming Events

July 23 – 27

International Society of Biomechanics
6th Symposium on Motor Control in Biomechanics
Brisbane, Australia

August 8 – 11

American Society of Biomechanics
Boulder, Colorado
