

Delsys welcomes all those attending the APTA CSM 2018 Conference in New Orleans this February to come see us at **booth #1748!**

We will be demonstrating the new **Trigno™ Avanti** Wireless Sensor and mobile software. Built on the foundation of the revolutionary Trigno™ platform, the Trigno™ Avanti sensor brings the research technology Delsys is known for into the classroom and clinic.

Features include:

- Instant, mobile Biofeedback Report
- Integrated EMG + IMU measurements
- Direct communication to PC or tablet
